| Comments: | <p>This development will ruin the local area and the green space that defines us. This is green belt land. Not grey.</p> <p>The infrastructure is not there to support. Roads flood constantly. Traffic already dangerous especially in that area with multiple accidents in that vicinity. School space and doctors space limited.</p> <p>The impact on the local community will be very significant in a negative way. Wildlife will be negatively impacted.</p> <p>Children will be at risk right by the school they attend.</p> <p>Pollution will increase.</p> <p>Housing is not required here and other areas already built on are better suited.</p> |

Kind regards
