Reasons for comment:

Comments:	<p>It is important to preserve our natural environment for sustainable & ecological reasons.</p> <p>Darenth Valley is at capacity and local hospitals cannot cope currently.</p> <p>Local GP surgery's are struggling with current patient load, putting patients at risk if the number of residents increase.</p> <ul style="list-style-type: none">- Secondary schools are nearly at capacity negatively impacting on our young residents.- Further Education options are limited locally <p>Increase in traffic infrastructure Slow moving traffic close to a school - more pollution for vulnerable children.</p> <p>Current shops not sufficient and parking in relation to this is dangerous with current levels let alone with a large increase in people in the village.</p> <p>Ecological systems damaged</p> <p>Increase in air pollution risking the health of vulnerable residents.</p> <p>Increase in traffic and current infrastructure will not cope with increase.</p> <p>Removal of trees hedges impacting on wildlife including bats and badgers.</p> <p>Building on greenbelt will increase risk of flooding.</p> <p>Current infrastructure, schools, hospitals, GP surgery will not cope and this application of successful will negatively impact on the health and safety of residents.</p>
