| Comments: | <p>I object to this development.</p> <p>There will be a negative impact on our environment and nature as well as animals.</p> <p>The roads and local infrastructure will not cope with regular flooding and traffic jams as examples already.</p> <p>The area is greenbelt land and grey belt exists in the local area.</p> <p>This would make the area more dangerous for our young children with busier more dangerous roads and worse pollution.</p> <p>GP and school places also are already challenged and this will make this worse.</p> |

Kind regards
