Reasons for comment:	
Comments:	The local roads cannot cope with anymore traffic the roads already get gridlocked 3 times a day, the GP surgery is struggling to cope with the village as it is, meopham will lose the open village look, losing agricultural land is not sustainable. Increasing traffic will cause vulnerable students at the Helen Allison school to be put in more danger as will meophan primary school. The schools are nearly at capacity. This will have a detrimental effect on wildlife that use the field to hunt bats, owls ect.

Kind regards
