Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Object to use green belt land to be changed to living on land for multiple families. Rules should be set as standard for all people otherwise you set precedence for anyone to go ahead and do same. Environmental damage caused during set up. Trees felled illegally damaging eco systems and wildlife. Damage should be compensated for. Not acting as good community members as just cut trees down and did what ever they liked. Seems unfair and rude.

Kind regards
