Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	We do not object to the application (obviously would rather not have major building work outside our back door) I assume the builder/ contractor will be subject to usual considerate contractor rules with regard to operating hours, undue noise/ radios on site etc./ pollution, tidy working. This house is very close and building work will have a significant effect on us. [REDACTED]

Kind regards
