

20211484 Rochester And Cobham Park Golf Club Park Pale

KCC Heritage 12 January 2022

Thank you for consulting us on this application.

The site lies within an area of multi-period archaeological potential within Cobham Park.

I consider it unlikely, however, that this proposal will have a significant below-ground archaeological impact due to the existing cut for the car park. I have no further comments to make in this case.
