

To whom it may concern,

I am writing to you to oppose the proposed changes to the building at the George pub in Hever Court road Singlewell. It is a much loved space used daily that will completely be unable to seat guests afterwards. It is the only dog friendly side in the restaurant and has comfortable seating which a lot of our older regulars enjoy. Loosing this space for seating will also loose 68 covers on key days.

I'm addition. The overall look and feeling of the space which currently is like an old country barn, will be taken away in place of a more industrial look. This is very upsetting for people who have used the george for a very long time.

Many thanks,
