Dear Sirs

Re 25 Reynolds Fields, Higham, Rochester, ME3 7LX
Single storey rear extension with a depth of 2.5 metres, maximum height of
4.80 metres and eaves height of 4.8 metres.

We refer to the above planning application, your reference GR/2022/0316 and would make the following comment.

The Society notes that on the submitted drawings, in addition to a single storey rear extension, the Original house referred to in the description, a second storey is also indicated on top of the existing side extension. The Society has no objection to the proposed rear extension but is concerned at the impact a second storey on the end of the property might have on the street scene in this prominent corner location.

Yours faithfully

Mrs P A Lippiatt
Hon. Secretary
