Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: Kent road is already a nightmare for parking to have another dwelling split into small units will not help.
There are rows all the time about the parking issues.
We already have flats and houses split into flats it's a residential road.

What type of hmo is it to be, this can also have a huge impact?

I have HMOs myself so know the issues that they can cause.

Kind regards
