Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	My comments are the same as previous application at this property . It sets a president for future application. We have lots of properties on the lane that have large gardens what if they all do the same? Our lane is no longer a lane but a very busy road! Also how many mature trees would have to be felled in the processes, all affecting the environment .

Kind regards
