Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	My family property is within [REDACTED] the planned building. I am greatly concerned that any noise from this workshop will be heard from my property, particularly the garden and kitchen which is [REDACTED] planned area for carpark and shutter entrance. I do not want to hear and see industrial business when enjoying the outdoor space with my young family. I am also concerned about the negative effect this type of building will have on my house value. We will also loose road parking which is already in short supply.

Kind regards
