Dear Sirs

Re Higham Railway Station, School Lane, Higham, Rochester, ME3 7JQ

We refer to the above planning application, your reference GR/2022/1016 and would make the following comment.

The Society has no objection to the application but would suggest the imposition of conditions to control noise, odour and light pollution to protect the amenity of the residents of Jupp Close, adjacent and above the level of the site.

Yours faithfully
