Dear Sirs

Re Warren Farm, Swillers Lane, Shorne, Gravesend, DA12 3ED
Change of use of part of existing holding to a mixed use for agriculture and the keeping and exercising of horses and construction of a sand-school

---

We refer to the above planning application, your reference GR/2023/0017 and would make the following comment.

The Society has no objection to the construction of the sand-school but is concerned at any change of use of the land. In the event that the sand-school is not longer required the land should return to agriculture. We would request that conditions be imposed to control the erection of any buildings, lighting, etc to protect the openness of the Green Belt, and that it should be used for personal use only.

Yours faithfully
