Reasons for comment:

Comments:	If what I've read and believe to be that The Woodlands Restaurant is proposed to be a 24 hr McDonald's. This will seriously damage the Woodlands area The traffic on an already busy road, the cars entering and exiting the site. The noise, disruption, potential unruly behaviour, litter problems that come with a fast food establishment. When the nation is being warned of obesity in children and a fast food site is being built next to a play area and secondary school!!! We already have 2 McDonald's Restaurants in Gravesend, we do not need another. If it was to be built the old tollgate area near the A2 would have been a much better location, without affecting as many Gravesend residents. It will devalue the properties opposite. The road is already busy as a main route into and out of Gravesend, it also carries school traffic, the extra traffic caused by McDonald's will also be a problem, with parking on the roadside by residents, the vision of oncoming vehicles may not be seen or extra risks taken therefore creating potential accidents. The smell emitted from a fast food restaurant will travel on the wind around the area.
-----------	---

We have enough fast food restaurants., we don't want or need another!
For the area a more family friendly restaurant would have been more appreciated

Kind regards
