Reasons for comment:

Comments: A227 is already very busy road. Road is full of parked cars during start and finish of Meopham schools. Road is very narrow by The George Inn. All the traffic on A227 will continue to Culverstone Green where the Primary School is just by the very busy road.
Supply of water, gas, electricity and waste pipes have to be provided, where and how?? One day our grand children will be asking: " What green grass is, how does it look like"??? There will not be any green grass in Meopham.

Kind regards
