## Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This is a large farmland site that is used for food production, we should not be building on farmland. This area is already congested and getting in and out of the shops is dangerous. The road is already congested and too busy due to cars parking everywhere because of the two schools and the nursery that are nearby. Local residents already can not park to use the shops and have trouble during out on to this road due to congestion. There are often collisions outside the shops even without all of the proposed extra traffic.

Kind regards
