Reasons for comment:	
Comments:	<p>I support the development plan.</p> <p>Meopham needs more housing for her development and for businesses to thrive.</p> <p>I understand the fact that every new house in the environment will bring its own impacts- new people and cars, yes, that's part of life.</p> <p>Having new houses will offer first buyers the opportunity to invest in their own property.</p> <p>New houses will bring new Schools, New GP, expansion of roads and new infrastructures.</p> <p>The plan should include the expansion of road.</p>

Kind regards
