Reasons for comment:	
Comments:	This is a small rural lane and access will be dangerous. This is a large farmland site that is used for food production, we should not be building on farmland. We already struggle to get doctors appointments, and to access local shops due to congestion, we do not need to increase the population of Meopham. The developers should be looking at brownfield sites to develop. The A227 is already too busy and is dangerous for local children. An extra 150 houses means possibly an extra 300 cars on our roads in the village.

Kind regards
