Comments:	Much like the previous application, this will introduce an additional dwelling that would not be in keeping in with the surrounding housing landscape. On top of this, there is no proposal for parking, where car parking is an issue. The big concern is parking is being possibly proposed at the rear where access to garages for numbers 98-112 Beaumont Drive would be detrimentally effected. Most likely cars would end up in the alleyway blocking access as well as for pedestrians using the path to Dover Road.

Kind regards
