Reasons for comment:

Comments:	I fully support this application for the following reasons: 1. It is on private land, not farmland. 2. It is a size suitable to fit in with the area and will not look out of place. 3. There is a shortage of this type of property, particularly bungalows. 4. It is a modest size for the ageing population and will attract older couples wishing to downsize, thus releasing larger family homes for the local population. 5. Properties on nearby Manor Road have been supported by the Parish Council to split their gardens and another property built. 6. There are nearby good transport links.
