Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	More affordable housing is needed in the locality, small bungalows would be perfect, particularly for young families and a growing elderly population. Sole Street railway station is close by for accessible public transport. It is not unusual for residence to develop housing on the rear part of their garden, supported by the Parish Council, recently in Manor Road. This development is not on farmland unlike other proposals in the area.

Kind regards
