Reasons for comment:	
Comments:	This is neither wanted nor needed. Beyond the adverse affect on local wildlife, the increased traffic will cause gridlock in the local area. The loss of natural run off will no doubt cause more localised flooding. the building of this estate will rip the heart out if the existing local Community whilst devaluing the area. This green belt land, not brown not grey, green and common sense should prevail and this application be turned down.

Kind regards
