Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Totally unacceptable to build on this farm land with two schools in the vicinity with no infrastructure so dangerous for children and adults alike. More chaos on our roads and yet more pollution with traffic and more people with fewer amenities in place for us all. Our wildlife is taken out of the equation and doesn't have a chance so please stop this now and let us keep our quality of life of nature and us all. Thank you

Kind regards
