Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	There is already too much noise and light pollution, we do not need any more. No more please. The times and lights already go over the set times so the finish time will be extended again and we will have shouting swearing and lights on until nearly 11pm most days. Saturdays and Sundays they are playing football and shouting at 8am! So support the local people who have to live around the Nelson Road Sports Ground and do not pass this application

Kind regards
