Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	[REDACTED] Copperfield, we strongly object to the proposed planning application. 1) Our outlook will be very much be compromised by the raised roof pitch. We have no desire to have our view changed, having lived here for twenty-five years. 2) Our privacy will be compromised by the proposed Dorma windows. We find this to be intrusive of our privacy. 3) This will have a significant impact on the value and sellerbility of our property. 4) This is not in keeping with other garages or those that have undergone conversion in this rural area. Certainly none with Dorma windows.
