Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Our community is growing, hence we need a place of worship that is safe and comfortable for everyone to pray in. This would be a good place to teach children about learning about our religion, and how important is is to integrate with all the communities in this area. We need this space so everyone can come together and pray together.

Kind regards
