Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	As a local muslim living in Gravesend for about 6 years I am strongly supporting this change of use.We as a growing community need a place for worship and religious gatherings as the current mosque has not have the capacity needed for the growing community.It will not create any congestion or any worries for the local people about parking space as there is also a car park nearby.

Kind regards
