Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The building of houses on this site would bring even more traffic on to a main road already overcrowded by cars. There are three schools on this part of the A227 and this road is unable to cope with traffic now without the addition of the extra amount of traffic the new proposed housing development would bring. The site is totally unsuitable for the proposed new development.

Kind regards
