Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I am in complete support of this. I have lived in Gravesend for the last 20 years. It's a brilliant opportunity for the community to have somewhere our children and families can gather to pray, the current mosques do not have the capacity needed for the growing community. There is also a parking area very close by so there will not be a lot of congestion or worrying the local people for parking spaces.

Kind regards
