Details of the pre-application advice received

Ian visited the property and advised that we needed to seek planning permission due to the extent of works in relation to existing dwelling and previous (approved) extension. Unfortunately, we had not realised we required this when having the work completed.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
