Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We object to the suggested plans for 5 The Yews. Our main objection is that we are a cul-de-sac full of bungalows. Most people have put Velux windows to the front and they have extended out the back. They front of the bungalow should look like a bungalow and should not have Juliet balconies. This is stated in the deeds of the properties we have no objections to extension out the back of the property. But to the side of the property this will impeach on neighbours privacy. We have not been able to see the plans for this extension as we are currently on a months vacation.

Kind regards
