Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>This development will spoil the local area and add much traffic to an already congested A227. It's already takes 15 minutes to get to meopham station from Culverstone Green, effectively 3 miles, which will double if this development goes ahead due to road works, deliveries etc.</p> <p>It's not in keeping with the local housing, especially the social housing element.</p>

Kind regards
