Reasons for comment:

Comments:	<p>I object to the proposed planning application.</p> <p>Traffic - it is reckless & irresponsible to add to the already busy South Street roadway with an additional (at least) 150 to 200 vehicles from the proposed development.</p> <p>There have already been 2 very serious traffic accidents in this location causing serious injury and 1 fatality.</p> <p>Police already use traffic calming means by positioning mobile speed camera vans along this location.</p> <p>There would be additional unwanted traffic noise, pollution & congestion.</p> <p>The proposed development would destroy the natural beauty of the village and surrounding rural fields & farmland - when at the same time there are numerous Brown Field sites that could be utilised.</p> <p>It is fundamentally wrong to take Green Belt land for housing development.</p> <p>The village is unable to accommodate an additional 100 new homes & occupants.</p> <p>There is not the infrastructure or services to accommodate hundreds of extra people (schools, doctors etc).</p> <p>This is a small peaceful village location, it should not be destroyed and turned into a typical Outer London Estate.</p> <p>Meopham / Culverstone Green is a village location, has always been a village location and should remain a village location.</p>
