Reasons for comment:

Comments:	<p>The A227 cannot cope with the amount of cars already without all these extra homes being built. Sink holes have already happened not far from the proposed estate.</p> <p>When there are traffic lights or a road closure you can't get out as the lanes are gridlocked.</p> <p>There is already a lot of flooding in front of the school and down past the proposed site which will only get worse once built on.</p> <p>It will affect the wildlife there too.</p>
