Reasons for comment:	
Comments:	<p>As a local who uses the A227 every day, this road and those around it have no capacity to take on more traffic than there currently is. When accidents block the A227, the surrounding roads become totally gridlocked and this will only add to that chaos.</p> <p>I feel that the local schools and doctors would also struggle to support an extra 100+ residents.</p> <p>Environmentally, these areas of ancient woodland are protected and should not be built on or near to. Any concreting of this area will only lead to flooding and erosion of the local environment.</p>

Kind regards
