Reasons for comment:	
Comments:	Having lived in the Culverstone area since 1973, I have witnessed massive changes to the beautiful rural area we chose to live in. The increase in traffic and parking problems directly outside my house have had a massive impact as on occasions I have had trouble getting out of my own drive! I use the A227 on a daily basis and my journey to work now takes at least an extra half an hour. Recent diversions which took me through Snodland and via Holly Hill added a further hour to my already lengthy commute. I'm also totally aware that the already overloaded schools and GP surgery will suffer. I can only see this whole proposal as a recipe for disaster and I strongly object.

Kind regards
