Reasons for comment:	
Comments:	<p>I strongly object to this application on the following points:</p> <ol style="list-style-type: none">1. The impact on the existing infrastructure within the area. The A227 is already struggling with the traffic - 100 + more cars will only make the situation worse. There are hardly any shops and certainly not a lot of parking where there is some. It is difficult to get a Doctor's appointment now - with 100 + more families - it would be impossible.2. There are not enough schools or access to public transport in the area.3. Pollution would be considerably worse.4. Wildlife would be catastrophically affected.5. I hope the planning committee take all these points into consideration and refuse the request.

Kind regards
