Reasons for comment:

Comments:	My view is simple . Why should permission be given in this beautiful lane for a mobile home on a 4 acre plus site , when other applications be refused in our country village of Shorne . My house purchase [REDACTED] in the idyllic bowesden lane was not made for the potential of this site at the end of our lane . the damage to our lane , this could cause if permission is given for this , could be catastrophic , and something that can't be rectified , for this currently idyllic lane , an area of outstanding natural beauty .
