NOTIFICATION TO APPLICANT FOLLOWING REFUSAL OF CONSENT OR GRANT OF CONSENT SUBJECT TO CONDITIONS

Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority to refuse consent for the proposed development, or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

- If this is a decision on an application relating to the same or substantially the same land and proposal as is already the subject of an advert discontinuance notice and if you want to appeal against the local planning authority's decision on your application, then you must do so within **28 days** of the date of this notice.
- If an advert discontinuance notice is served relating to the same or substantially the same land and proposal as in your application and if you want to appeal against the local planning authority's decision on your application and the discontinuance notice, then you must do so **before the date the advert discontinuance notice comes into effect**.
- In all other cases, you will need to submit your appeal against the local planning authority's decision, or any of the conditions imposed, within **8 weeks** of the date of this notice.

NOTE: Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted advertisement consent for the proposed

development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
