Discharge Condition 3 for Application: 20210130

7 Queen Street
Gravesend
Kent
DA12 2EQ

To Whom It May Concern,

I am writing to formally request the discharge of the condition 3 pertaining to the usage of the room located above the shop. This space is utilized as a residential area. It serves exclusively as a rest area for Tops pizza staff members during their breaks. As such, it does not function as a separate rented out flat, and its primary use aligns with providing a comfortable environment for employee rest and rejuvenation during work hours. We kindly ask for the condition to be discharged accordingly. Please also refer to attached noise survey report Reference No.18237

Thank you for your understanding and consideration.

Yours Sincerely

mohamed
