Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I object to this application on the following grounds - 1. This plot lies within the Green Belt and is entirely inappropriate development of this land. Previous planning applications have been repeatedly refused for this very reason. There are no very special circumstances evidenced which would even lead to consideration of change of use. 2. The development would be totally out of keeping with the neighbourhood and surrounding dwellings and would have a negative effect on the character of the village and the local community. 3. Access to the site is via a narrow rural road which is not appropriate for use by large trailers/mobile homes so I would have serious concerns about the safety of other road users and pedestrians in this area, particularly as there are no footpaths or street lights. 4. How is work already taking place on site when the change of use request in the planning application hasn't been approved???
