Reasons for comment:	
Comments:	This development will have a negative impact on all of Istead Rise, the additional pressure it will put on the GP surgery and local hospital will be immense. The additional traffic not only using The Drove Way but also the A227 will cause congestion on the surrounding country lanes which cannot cope with existing traffic. The loss of productive agriculture land is also a cause for concern, as is the detrimental affect on all species of wildlife.

Kind regards
