Dear Sirs

Re 46 The Russets, Meopham, Gravesend, DA13 OHH
Conversion of the garage to form bedroom and shower roof.
REF: GR/2024/0753

The Society notes that the proposed conversion of the detached garage is to accommodate an elderly relative. The Society would suggest if consent is granted it is time-limited as an annex to the main dwelling. No extensions or alterations should be made without the written consent of the planning authority.

Yours faithfully

Mrs P A Lippiatt
Hon. Secretary
