Reasons for comment:

Comments:	<p>I strongly object to this proposal due to the following:</p> <ol style="list-style-type: none">1. The environmental impact on adjacent ancient woodland and removal of greenbelt.2. The impact of an increase in traffic from the additional 100+ vehicles on an already congested and dangerous A227, especially as this in the vicinity of the local primary school with poor public transportation available within the local area.3. Pollution to the local area due to the increase in traffic affecting both wildlife and resident's health.4. Risk of flooding due to continued building on greenbelt as many of the roads around Culverstone Green already flood following heavy rainfall.
