Reasons for comment:	
Comments:	This planning is absurd it doesn't take into account the wildlife road use is too heavy now. Schools Doctors hospitals public transport not enough of any. Parking for schools. Not enough traffic control now without 200 more vehicles. Disruption on the A227 while building is going on for three years. Water electricity phone lines the A227 is already a short cut from the A2 to the M25 M20 M26 and the lorries are too big to get through the village of Culverstone and Meopham now. This is a ridiculous plan and no one around Meopham and the surrounding areas will tolerate the disruption.

Kind regards
