| Stance:              | Customer objects to the Planning Application  |
| Reasons for comment: |   |
| Comments:            | I object to the development based on the additional traffic it will bring to the area, potentially around another 200 cars, Wrotham rd already has queuing traffic at different times of day. The additional pollution to the area. The distance from the station would mean it can't be walked to. People enjoy living in a village environment, these types of planning applications are looking to turn the villages people love into towns. |

Kind regards
