Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I strongly OBJECT to this building proposal due to the already overloaded road traffic. [REDACTED]</p> <p>[REDACTED] I would also point out that last year there was a collision between a school bus and a farm vehicle, resulting in serious injuries, less than 50 metres from your proposed entrance. [REDACTED]</p> <p>[REDACTED] father was killed outside our house a few years ago on this stretch of road. There are also Bats which fly from Blackthorn Farm to our garages daily. These species will be definitely be disturbed or wiped out.</p> <p>Another point, is the fact that this proposed development would have no public transportation. The train station is over three miles away, and there is only one irregular bus on this A227 bus route.</p>

Kind regards
