Reasons for comment:	
Comments:	This site is totally unsuitable for a development of this size. Meopham does not have the facilities or infrastructure to cope with any of the housing schemes being proposed for the village. The A227 already struggles to cope with the volume of traffic using it and this would only add to the problem, an access road will be a danger to both vehicles and pedestrians. Until all brownfield sites in the area have been developed there should be no building on any greenfield/greenbelt sites.

Kind regards
