| Reasons for comment: | |
| Comments: | Objection based on contravention of valid Greenbelt land. The existing infrastructure in this area would not cope with an influx of new residents. The doctors, dentists and hospitals are all overloaded. Local schools are also full. The adjacent A227 trunk road is already overloaded, the increased pollution would be detrimental to the area and people's health and wellbeing. Any resident wildlife is immediately at risk whenever such land is developed. Any new development in this rural location would be disastrous for local residents. |

Kind regards
